To help seniors and veterans be aware of financial frauds and scams, state and local agencies are working together as part of the Safeguard Our Seniors initiative to let older Floridians know what services are available to help them avoid financial fraud.

Veterans and attendees will have the opportunity to gather important information and resources about their rights as a Veteran living in Florida.

Join us to visit exhibits, listen to patriotic music, view the presentation of colors, hear guest speakers discuss Veteran's rights, and learn how to avoid inappropriate financial investments.

The Sarasota Military Band, under the direction of Lt. Col. Keith Hall, will be participating at this event.
